

2018 QUILT TIL U WILT PROPOSALS DUE FEB. 10, 2018!

Got a great project or skill you'd like to teach? Then Quilt 'Til U Wilt 2018 (July 14, 2018, Henderson Convention Center, 9:30 am – 4:30 pm) may be a perfect opportunity for you! Get your proposal and sample (required) together and bring it to the **February 10th, 2018** Board Meeting held at: Aerospace Union Hall, 1057 Whitney Ranch Dr., Suite 200, Henderson, NV 89014. The meeting starts at **10:00 am**. You will have a special time to address the Board, show them what you have planned and present any additional costs (kits/patterns) that members may incur if they register. It is also important to provide any special requirements for supplies, room set-up, etc. This decision will be made by the Board after all the ideas have been presented during the meeting.

Teacher requirements for Quilt 'Til U Wilt include promotion of your class by preparing documents for the Chatter, the website, and by visiting the Circle meetings to show your project and encourage attendance. Take your registration forms with you as some people may want to sign up after they see your project. You will also be responsible for tracking registration and accepting payments (cash or check only) for the class; credit cards are done online by the treasurer. The class is all-day during the times noted above, you should expect to be there early to set-up and a little later to pack up. You will be compensated at a fee per student.

We are no longer recommending the Pot Luck; instead, attendees will be able to order lunch from a menu (CooCoo's) which will be available at the class. The Program Chair will be responsible for getting basic equipment to the class including irons and ironing boards and ordering lunch.

This is meant to be a fun day of learning for Guild members! We look forward to hearing and seeing your proposals at the February 2018 meeting!

If you have questions, please contact Jeanne Spala, 2018 Program Chair, jspala@cox.net, 702-290-1373.
