

# Free-Motion Quilting Basics

Master your rhythm and alleviate tension

This is a fast-paced beginners' class for learning basic free-motion machine quilting techniques on your own home machine. The class is structured around a series of quilt 'sandwiches' that will get everyone moving! Students will learn how to adjust tension on their own machine for perfect stitching and to find their own rhythm. Please have machines in clean, working order with a fresh needle installed. Machines must have free-motion quilting ability.

## STUDENT SUPPLIES NEEDED:

- Clean home sewing machine in working order. Machine **MUST** have free-motion capability. Please bring your manual with you if this is your first time machine quilting.
- Free motion or darning foot for your machine
- Fresh needle(s) for your machine, size #80/12 or #90/14
- Thread snips or small scissor
- Small bag for thread ends

## STUDENT KIT FEE: \$30

Kit includes all pre-washed fabric and batting sandwiches, machine quilting threads and machine needles.

Hands-on Class

Maximum enrollment: 30

Time: 6 hours
