

# HINDE SOCOL

When I moved to Henderson ten years ago, the first meeting I attended was the Green Valley Circle. I was warmly welcomed by the group and quickly found myself serving as the Circle Representative on the DQN Board. In the ensuing years, I served in the following roles:

- Membership Chair
- Quilt Show Chair
- Vice president-oversaw complete revision of Bylaws
- Communications Chair: Managed website, wrote all emails. ZOOM meetings

As a resident of Sun City Anthem, I have been an active member of the Sewing and Quilting Club. My involvement there has included Education Coordinator, Instructor, and Monitor. I am a founding member of the Quilters for Veterans Group, which has awarded over 400 quilts to Sun City veterans.

Prior to moving to Henderson, I worked for a large sewing machine store. While there, I implemented the Constant Contact email system and scheduled and marketed educational events for presenters including Martha Pullen, Eleanor Burns, Walter Floriani, John Deer and the Stitching Sisters, to name just a few. I was also active with my local quilt guild, El Camino Quilters, and worked as the Circle Coordinator and Treasurer for the Quilt Show.

My work experience before I retired, included: Special Education Resource Room Teacher; Teacher Consultant-Emotionally Impaired; Supervisor-Special Education; Elementary Principal; and Assistant Superintendent for Human Resources.

My skills include computer graphics, problem solving, and exceptional communication skills, both written and verbal.

I look forward to the opportunity to continue to grow Desert Quilters as a premier guild.

## **Education**

Bachelor of Arts - Special Education | Michigan State University

Master of Arts - Special Education | Eastern Michigan University

Master of Arts - Clinical Psychology | The Fielding Institute

Doctor of Philosophy in Psychology with an emphasis in Organizational Psychology|
