#### **CATEGORIES 300-304: ART QUILTS**

Original designs, using the design elements of shape, color, space, form, line, value, texture and implementing the rules of design of balance (symmetrical or asymmetrical), emphasis, movement and proportion. If inspired by another, said artist needs to be recognized but never copied: not changed by only an alteration of size, fabric, or color from the existing design. Any category can use innovative construction and/or techniques. The pieces may be 2 layers, 3 layers, or more as desired, and may be quilted by another individual. No framed artwork will be accepted.

- **300 Non-Representational Art Quilt** – Original design. Made by one person, this category will be abstract but should not depict an easily recognized real object/subject.
- **302 Representational Art Quilt** – Original design. Made by one person. Objects are easily recognizable.
- **304 Collaboration/Group Quilt** – Made by more than one person. May be representational or non-representational. All the above rules apply.
