- ◆ **Pre-registration & prepayment required** at the DQN website where you will complete the brief registration separately for each date.
- ◆ DQN members have priority; non-members welcome if space is available and then pay the \$10 fee through the DQN Store.
- ◆ Walk-ins only if space is available if you want to take a chance and show up.
- ◆ You can register for one or more days. For 2024, we are able to offer a discount if you pay in advance for the entire 4 months, i.e., \$30 total; please choose this option from the Store. The DQN coupon can be used for a single Sew Day; this must be entered and paid as a single item from your Cart. If registering for a single day, please select the day you wish to attend from the Store list; this greatly simplifies the Treasurer's work to track payments correctly. Complete a separate registration form for each of the SEW DAYS and pay the registration fee .
